

General Information

START LINE: The start line for all classes except B and C will be an imaginary line through the Transit marks above the clubhouse. The start line for B and C will be between a committee boat moored in the inner harbour and a mark carrying a F.S.C. burgee. See supplementary instructions for B and C classes. Boats will start in the direction of the first mark.

FINISH LINE: The finish line for all classes will be an imaginary line through the transit marks above the F.S.C. Clubhouse.

FLAG SIGNALS: Red Flag on mast – Marks to Port (**except for Turning Mark**). Green Flag on mast – Marks to Starboard.

COURSES: These will be signalled by the appropriate flags flown beneath the Class Flag. Courses may also be given by VHF radio on Channel 72, failure to do so will not be grounds for protest.

STARTING SIGNALS: RRS26 will be modified for all classes. Warning Class Flag 1 sound signal. Preparatory Flag P 1 sound signal, Start Class Flag Removed 1 sound Signal. All at 5 minute intervals. Flag P will be left displayed until the last Class starts. The Warning Signal for each succeeding class will be displayed at the time of the Preparatory signal of the preceding class.

SHORTENING OF COURSES: FLAG “S” alone signifies that the race ends on completion of the Round being sailed. FLAG “S” above a Numeral Pennant and Class Flag or Flags, signifies that the next round will be one round only of the new Course signalled, for the class or Classes shown. In all cases the shortening of Courses will be denoted by TWO Sound signals in quick succession.

CANCELLATION OR ABANDONMENT OF RACING: FLAG “N” over FLAG “A” will be flown at FLUSHING SAILING CLUB. FLAG “N” over FLAG “A” over a Class flag: Racing is cancelled for this Class/Classes.

BOATS OVER LINE AT THE START: A second sound signal will be made and FLAG “X” will be raised for a short time. Any boat over the line and not returning to the line will be disqualified.

GENERAL RECALL: A general recall of a Class will be signalled by displaying I.C. Flag “First Substitute” accompanied by TWO sound signals. RRS (29.2) is modified in that the First Substitute will remain displayed for four minutes and the recalled Class will start ten minutes after the last scheduled start. No sound signal will be made with the removing of the First Substitute. Should more than one Class be recalled they will be restarted in their original order at five minute intervals.

TURNING MARK: If two rounds are to be sailed, the Turning Mark at the end of round one will be a buoy carrying a GREEN FLAG, positioned on the approach to the Finishing Line. This mark is to be left to Starboard at the end of the first round.

HARBOUR RESTRICTIONS AND REQUIREMENTS: After the preparatory signal no boat shall sail inside the moorings and to this end the outer line of mooring buoys (whether a boat is attached or not) on both sides of the river will be classed as a continuous obstruction. This ruling excludes Frigate and Caldy buoys. If it should become necessary to clear the fairway, the Answering Pennant (Flag 2AP”) will be displayed accompanied by THREE sound signals, all classes not already started are postponed, boats in these classes shall immediately clear the fairway. Racing will be resumed by lowering the Flag “AP” accompanied by ONE sound signal one minute before the Warning signal for the first postponed Class, Classes will then continue to start in their designated sequence. When there has been a delay in the starting procedure Flag “D” will be displayed.

WARNING REGARDING COMMERCIAL SHIPPING: White flags will be displayed at the Clubhouse and Committee Boat as a warning to competitors when the Club is advised of specific shipping movements in the race area. Competitors are required to read and observe the recommendations relating to commercial shipping issued with these sailing instructions.

When a Pilot Cutter or Harbour Master’s Launch is acting as an escort boat, stationed approximately 100 metres or more ahead of a large vessel, no boat shall pass between the escort boat and the vessel she is escorting. In alteration of Rule 64.1(a) the penalty for breaking this rule may be lesser or greater than disqualification. :

DIVERS: In relation to dive craft or surface markers it is recommended that a racing boat maintains a distance of two boat lengths.

ST. MAWES CARDINAL BUOY (LUGO ROCK) Competitors shall at all times keep to the seaward side of the buoy.

SUPPLEMENTARY RACE INSTRUCTIONS FOR B AND C CLASSES

Flushing Village Regatta instructions will apply except for starts from a Committee Boat. Warning - Class Flag up. Preparatory - P Flag up. Start - —Both flags down. All at 5 minute intervals.

COMMITTEE BOAT will be in the vicinity of Deep Venture Buoy and will fly a red or green flag.

STARTING LINE : The starting line will be a transit between the spar flying a red or green flag on the Committee Boat and a distance mark with a black burgee with a yellow V

COURSES will be chalked on the blackboard on the Committee Boat.

(Buoy identification and map on next page)

E.g. 9 5 Committee Boat flying a green flag

If this was signalled the course would be two rounds

St. Just (Starboard)

Castle (Starboard)

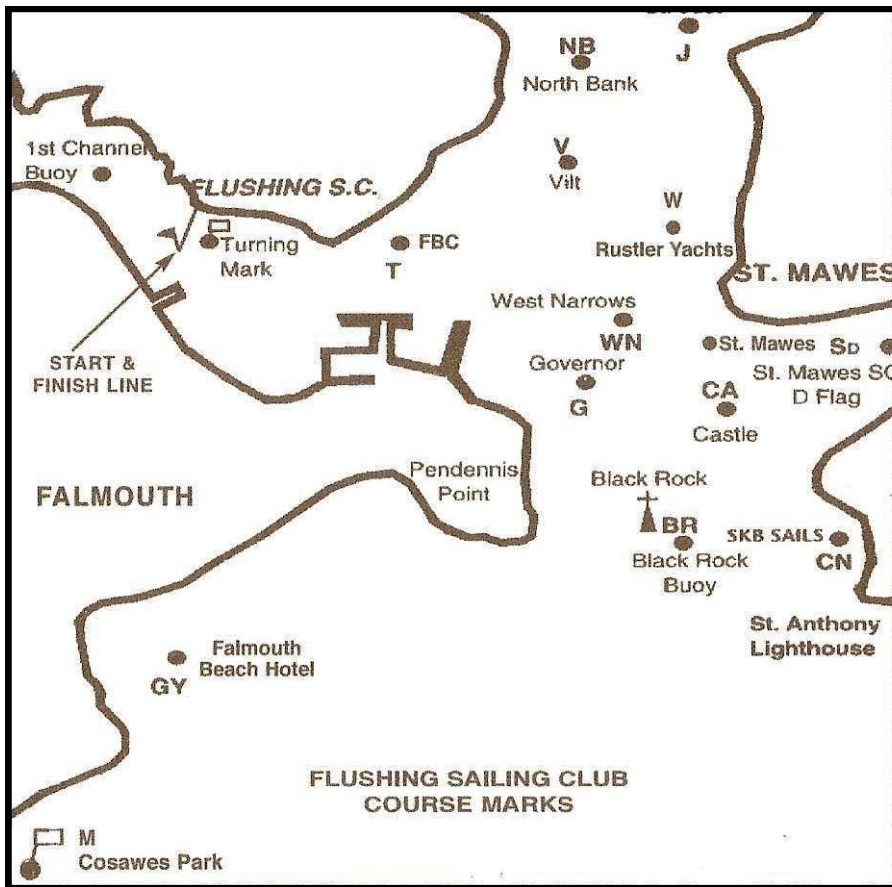

Turning Mark (Starboard on the first round)
